Coach's Commitments

1. I have filled in all appropriate boxes above, including the invoice payer's email address.
2. I will use the list of games/opponents I receive from Avery Enterprises in the order given, unless using the given list creates a duplicate game for my school or an opponent.
3. I promise to give my readers only one game at a time—the game they will read next.
4. If the day I email this form to Avery Enterprises is less than 7 calendar days before the first game where I need the questions I am ordering, my school will accept an extra 20% fee for rush delivery.
5. If my questions have not arrived when I need them, I will check all junk/spam files of both my private and school email addresses before contacting Avery Enterprises. I understand that GMAIL makes junk/spam very hard to find, so if I have a GMAIL address, I will carefully check all possible GMAIL junk/spam files.
6. If my team hears a duplicate game, I will fill out and email Avery Enterprises a Problem Form within a week of the duplicate game's occurrence.
7. If an opponent hears a duplicate game because of my failure to keep these Commitments, Avery Enterprises may tell my opponent(s) to send my school a bill for any extra games they need as a result.

My initials in the box below show that I have read and accept these Commitments.

If my initials are not here, processing of this order will be delayed until my initials are added.
