2022-23 IESA Scholastic Bowl

## Order Form **Coach's Commitments**

1. I have contacted Reinstein QuizBowl, and they cannot provide questions in time.
2. I have filled in all appropriate boxes above, including the invoice payer's email address.
3. I will use the list of games/opponents I receive from Avery Enterprises in the order given, unless using the given list creates a duplicate game for my school or an opponent.
4. I promise to give my readers only one game at a time—the game they will read next.
5. If my questions have not arrived when I need them, I will **check all junk/spam** files of both my private and school email addresses before contacting Avery Enterprises or IESA. I understand that GMAIL makes junk/spam very hard to find, so if I have a GMAIL address, I will carefully check all possible GMAIL junk/spam files.
6. I will use only Game Numbers IESA #xxxx (or IESA #Exxxx) for games. I understand that Practice Sets 1-16 are **not** for game use.
7. If my team hears a duplicate game, I will fill out and email Avery Enterprises a Problem Form within a week of the duplicate game's occurrence.
8. If an opponent hears a duplicate game because of my failure to keep these Commitments, Avery Enterprises may tell my opponent(s) to send my school a bill for any extra games they need as a result.
9. I understand that I can have a copy (electronic, print, or both) of each Avery Enterprises regular-season question set that I pay for, or that my team hears in a match, triad, or tournament. I will carefully refrain from obtaining any Avery Enterprise question sets that I have not paid for or heard, and I will encourage my fellow coaches to do the same.

My initials in the box below show that I have read and accept these Commitments.

If my initials are not here, processing of this order will be delayed until my initials are added.
