ABOUT US

Since Avery Enterprises began in 2001, we've written everything from 3rd grade Academic Bowl in Georgia and New Mexico, to middle school quiz contests in Illinois and Connecticut, to high school social studies contests in Ohio, to community college quiz tournaments in Kentucky, to English and math exams in upstate New York, to local TV/radio quiz series from California to Florida, to America's National Science Bowl, to Knowledge Bowl tournaments in Brazil, to math contests in Thailand!

We have written 2-part bonuses in Missouri and Georgia, 3 or 4-part bonuses in Illinois, worksheets and category rounds in Ohio, fanfare rounds in Pennsylvania, lightning rounds in Alabama and Louisiana, TV and radio shows all over America, the multiple-choice questions used in Science Bowl, and even quiz tournaments in Brazil ! Talk to us before you order questions from anyone!

Our annual subscription service provides more than 750 extra practice questions, downloaded from our Dropbox account to your desktop. Volume discounts are available for districts to purchase the service for each of their schools. Some districts even use the service for their local tournaments.

It's now easier to find practice and tournament questions at each level. Check out our gifted/talented materials, Common Core math sets, and former Questions Galore question sets too !

Make sure to email us through our website and ask for our free sample questions so you get on our e-mail list! List members get our newsletter and keep up to date on what we're doing.

For (free) advice on how to set up an academic competition for your students, call us at the number below. We look forward to working with you!

PRACTICE MATERIALS

NATIONAL HISTORY BEE® /BOWL®

Our National History Bee® /Bowl® Study Guide is written to encourage students to make notes on their own. This helps them retain the material better.

Use one page of our Study Guide each week during the school year. By the time National History Bee® Regional tournaments come around in the spring, your students will be ready!

A version of our Study Guide has been used with two students who played in past National History Bee® finals!

Buy one copy of our Study Guide and make as many copies as you need for your school !

Note: Our Study Guide is not an official product of the National History Bee®/Bowl® and Avery Enterprises is not affiliated with its tournaments or products. However, the History Bee people do a good job and we encourage our customers to try them out.

PRIMARY SCHOOL TOURNAMENT SETS (1st - 3rd grade)

Very young students need even easier questions than a standard elementary school tournament. This set was written specifically for students in 1st, 2nd and 3rd grade. Each set has tossups (which can be answered by anyone) and bonuses (as a reward for the team that gets a tossup). Contact us to ensure your area hasn't used it before you purchase it for a tournament!

Primary School Tournament Set #1 \$69
7 rounds of 10 tossups and 10 two-part bonuses each

STEM BOWL TOURNAMENT SETS (3rd – 4th grade)

A school district in Pennsylvania asked us to write this set for their elementary students. We combined Common Core math and Next Generation science from 3rd and 4th grade to create a tournament that kids will enjoy playing, whether they're STEM experts (yet) or not!

Each round has tossups (which can be answered by anyone) and bonuses (as a reward for the team that gets a tossup). Contact us to ensure your area hasn't used it before you purchase it for a tournament!

STEM Bowl Tournament Set \$99
7 rounds of 18 tossups and 18 two-part bonuses each
