ABOUT US

Since Avery Enterprises began in 2001, we've written everything from 3rd grade Academic Bowl in Georgia and New Mexico, to middle school quiz contests in Illinois and Connecticut, to high school social studies contests in Ohio, to community college quiz tournaments in Kentucky, to English and math exams in upstate New York, to local TV/radio quiz series from California to Florida, to America's National Science Bowl, to Knowledge Bowl tournaments in Brazil, to math contests in Thailand!

As of June 30, 2024, we are riding off into the quizbowl sunset. No more 2-part bonuses in Missouri and Georgia, 3 or 4-part bonuses in Illinois, worksheets and category rounds in Ohio, fanfare rounds in Pennsylvania, lightning rounds in Alabama and Louisiana, TV or radio shows all over America, multiple-choice questions used in Science Bowl, or quiz tournaments in Brazil! To thank our many customers, we are lowering prices for most question sets in one final retirement sale!

To get these prices (shown in red on each page), you must pay by credit card through our website at averyenterprises.net, phone us at the number below with your order, or send a check with your order form at the end of this catalog to the address at the bottom of this page. Purchase orders, or other orders that require us to send an invoice first, will pay the higher price in ~~strikethrough~~.

Thanks again for your support, and good luck in your future quizbowl endeavors!

Bryce D. Avery
